

Vacqueyras Tradition 2013

750 ML

Grapes variety : 60 % Grenache 40% Syrah

TAV : 13,5 % vol

Soil : Our parcels are located on « Le Plateau des Garrigues », the soil is composed of worn pebbles layer with clay-limestone soil.

Viticulture : We work for a sustainable agriculture without chemical weeding.

Vinification : Grapes are manually harvested and then, are directly destemmed upon arrival to the cave. The vinification is made with respect to the pure tradition of red wine making, we proceed to pumping over wine, wine punching down and wine shedding. The temperature is controlled and long vatting is performed.

This wine is raised in cuve. After 10 months of maturation, it is bottled.
